

Saturday Folk with Reg Meuross

at

St John The Baptist, Brinklow

on

Saturday, 2nd July 2016

After 10 album releases, award winning singer-songwriter **Reg Meuross** has returned to the solo format which inspired him to write and sing in the first place. Reg presents songs from his new and heartbreakingly beautiful album December, as well as a group of songs which give voice to people throughout the ages who have suffered injustice and been quiet heroes whose stories deserve telling. Reg's captivating tenor voice and his weaving of melody and music often belies the sharp incisive lyrics www.regmeuross.com.

".. utterly captivating. The storytelling is superb" Radio Warwickshire

Special Guest Jess Vincent's performances have earned her a reputation as a highly original artist with a unique voice that has gained a strong following in the folk music scene. Jess will bring songs from her brand new album 'Shine' as well as her previous songs, with her trademark subtle arrangements on guitar, baritone uke, shruti box and harmonium, revealing a maturity that belies her youth, yet allowing her vulnerability to shine through .
