**11. Street lighting.** The Clerk outlined the quotations he had received to replace the obsolescent SOX lamps on the estates. Cllrs had previously discussed spreading the work over two or three years. It was pointed out that three years was not feasible as it could leave areas dark if lamps failed. Furthermore; The Clerk, as Responsible Financial Officer, pointed out that if all the work was carried out this financial year then the lower quotation would attract a discount of 7.5%. This would be around £800; considerably more than the interest currently earned per annum on deposits. This, the Clerk posited, was the sensible option. An early decision is needed.

**Action: All Cllrs, Clerk.**

**12. Asset Register.** ~~T~~to be completed by JR and passed to others who hold assets.

**13.** It was with regret that the Council accepted the resignation of Cllr Friswell. Tribute was paid by all members, and the Clerk, for her contributions to the work of Brinklow Parish Council over many years.
